

# Additional list to the List of pharmaceutical products for special applications

3.3 / 10.2021

In addition to the List of pharmaceutical products for special application (LPPV), CSS maintains its own list.

**myFlex Outpatient Insurance (Economy, Balance, Premium), outpatient insurance (Minima, Optima), UNO+ & DUE+:** None of the products included in the list are paid.

**CSS Standard Insurance and CSS Standard Plus Insurance:** The listed preparations are reimbursed if medically prescribed, those products in the "Other" category are not paid

The list is not exhaustive and can be modified unilaterally by CSS at any time.
