

Dental Care Insurance.

Strong benefits for a healthy smile.

Improve prevention, pay less.

Healthy teeth and a happy smile are good for our well-being. Yet high dental costs can strain your budget – often to the absolute limit. That's why CSS has developed Dental Care Insurance, especially for families with children. This insurance also includes costs that are not covered by the basic insurance, namely all treatment and interventions carried out by a dentist.

The app for clean teeth.

The free app for clean teeth helps you combat your tooth devils and shows you playfully how to clean your teeth correctly and which places you need to pay closer attention to. www.css.ch/zahnputzapp

Your advantages:

- Contributions to treatment such as x-rays, fillings, extractions, dental hygiene
- Contributions to orthodontic treatment
- Contributions to the cost of check-ups
- Contributions to dental prosthetics such as crowns, pivot teeth, bars, bridges, partial or total dentures

Save on premiums:

- 25% family discount on children's premiums

Sensible supplements

Dental Care Insurance can be taken out on its own. However, it is ideal in combination with our outpatient supplementary insurance. We would be pleased to advise you.

Information and benefits at a glance.

Overview of options:

Percentage of invoiced dental costs accepted by the insurance	Maximum sum insured in CHF per calendar year
50%	1,000
75%	2,000 excl. orthodontics
75%	3,000
75% CHF 500 deductible per calendar year	5,000

Entitlement to insurance

To take out Dental Care Insurance, a medical certificate confirming the good condition of the teeth is required. This does not apply to children under the age of 3. The option involving 75% and max. CHF 2,000 can likewise be taken out with or without a dental certificate. The entitlement to insurance begins following a qualifying period.
