Please note

- The official cantonal lists, as well as the Swiss national list as given in Appendix 1a to the Health Insurance Benefits Ordinance, determine final entitlement to benefits
- CSS will not assume costs unless the insured person has taken out myFlex Balance or myFlex Premium Hospitalisation Insurance.
- CSS maintains a list of partner clinics. The outpatient procedure must be carried out at a CSS partner clinic. The list can be viewed at css.ch/oni
- To claim your reimbursement, please use the «Outpatient hospital treatment reimbursement» form, which you can download from www.css.ch/oni
