

List of hospitals with selected service providers for myFlex Hospitalisation Insurance.

Premium discount

CSS Insurance is able to grant clients who opt for this list a generous premium discount of 20%.

Update to hospital list

CSS Insurance may add new hospitals to the List of hospitals with selected service providers in accordance with point 6.4 of the Supplementary Conditions at any time. If a hospital is added to the list of hospitals prior to the start of a new year, insured persons who had received treatment in that hospital before it was added to the list will not have any costs reimbursed retroactively.

Hospitals may be removed from the list only effective 31 December of each year. If a hospital closes or merges with another hospital, the list of hospitals may also be amended before 31 December.

CSS Insurance makes every effort to offer clients a balanced and attractive list of hospitals.

What you need to know before you are admitted to hospital

Notify your doctor that you have taken out myFlex Hospitalisation Insurance with the list of hospitals.

Before you are admitted, ask CSS Insurance whether or not the hospital that your or your doctor would like to use is included in CSS Insurance's list of hospitals, and what costs CSS Insurance will assume for your stay in hospital.

The current list of hospitals can be requested from the CSS Contact Center, accessed at www.css.ch/downloads, or viewed at any CSS Insurance agency.

The list of does not apply in the case of emergencies or if, for medical reasons, the treatment cannot be given in any of the hospitals listed.
